

**Day & Night prayer within the local church:** Within DFW Prays we are working to continue to unite 500 churches in the Metroplex in day and night prayer. In addition, we are uniting pastors and churches across the DFW region for a day of fasting every Wednesday to see revival and awakening across the Metroplex and our nation.

## 2. Works of Justice in three areas:

- a. **J2 Project** – we launched the J2 Project in 2019, which is a network of churches, Houses of Prayer, ministries, and believers who are committed to day and night prayer, fasting, works of Justice, being salt and light in government and culture, and making the DFW region a city or region of refuge in preparation for times of crisis and revival.
- b. **Life ministries** – now that Roe v. Wade has been overturned at a national level, we will continue to work at the state level to see the banning of abortion across all 50 states, work with local churches in the areas of adoption and raising funds through the Zoe Foundation to help families with the cost of adoption. In addition, we will be working with young moms, many who are single with unwanted pregnancies, both during pregnancy and then providing support in their homes after birth for the first 40 days. We will continue prayer gatherings in the original Roe v. Wade courtroom in downtown Dallas and institute the Moral Outcry petition at the state level.
- c. **Working with pastors and local churches across Texas to be salt and light in government and culture.** The church and pastors are called to be a voice speaking into the issues facing our region and nation. We will continue to equip the church to be involved in the voting process through Voter Registration drives and calling their church to fasting/prayer before elections. We will give resources for pastors to be engaged with governmental leaders on a national, state, and local level. We will ask pastors and leaders through Christians Engaged to take a pledge to pray, vote, and engage culture and government.

## 3. **North Texas Prayer Alliance.** In 2021 we formed the North Texas Prayer Alliance to unite pastors and leaders in corporate prayer throughout the

DFW Metroplex to see the North Texas region become a revival center that will impact our nation. Through the North Texas Prayer Alliance we hosted the Korean prayer team this last June. We will continue to host international prayer teams and hold regional prayer gatherings in the years to come.

4. **Praying At The Heart.** United Cry hosted Praying at the Heart of Texas back on April 9<sup>th</sup> of this year in Brady, Tx. Many of you were a part of this great state-wide prayer gathering that went beyond our hopes and dreams for the day. We will continue this Praying at the Heart vision as we take prayer gatherings to all 254 counties in Texas in 2023. Also, working with state facilitators in the other 49 states to hold center of the state prayer. We have currently had prayer in Texas, Arkansas, South Carolina, Kansas, New Mexico, with many more scheduled throughout the summer and Fall.
